In reply to your No. 333[b].

The information from "VUR...."[a]

[63 groups unavailable]

Notes: [a] The external serial number was missed but an additional serial number 18 was given in the preamble.

[b] Not available.

Comment: [1] "VUR...": The beginning of an unidentified cover-name. First occurrence. There is technical evidence that the next syllable begins with the letter 'Q'.
